LUCAS VUOSO

Full Stack Developer

📞 +54 1169611987 @ vuosolucas@gmail.com 🔗 https://www.linkedin.com/in/vuoso-l/ 📍 Buenos Aires

WORK EXPERIENCE

Frontend Developer

Imajine Studio 📅 07/2022 - Ongoing

- Tech stacks: React.js - Redux Toolkit - React Bootstrap - JavaScript

EDUCATION

Certified Tech Developer

📅 2021

Digital House & Mercado Libre & Globant

- Full Stack Devoloper - Testing
- I am currently studying this career, in which we develop knowledge as a full-stack from the development side as well as from testing and infrastructure side in terms of development. We also have training in soft skills and agile methodologies, which is why it becomes a really complete training.

ABOUT ME

💎 **Why should you hire me?**

I consider myself a very committed person with everything I do and with all the challenges that come my way. In addition, I consider myself a very companionable person who always takes advantage of opportunities to learn from my colleagues as well as to advise them at the same time. That is why I am motivated by teamwork and collaborative environments.
